

HURACÁN TITANIUM EXHAUST MUSIC to your EARS

Accessori Originali

MUSIC to your EARS

The Accessori Originali range has further expanded with a highly original component, developed by Lamborghini and Akrapovič.

This exquisite system is made from light, high quality titanium and its two tailpipes ensure it looks as good as it sounds and performs, while complementing the unmistakable Huracán design.

Feel the music that sends shivers up your spine.

DESIGNED to SOUND UNIQUE

The lightweight Huracán Titanium Exhaust ensures a clean, visceral growl at any engine speed. Its distinctive sound and appearance enhance the Huracán's sportscar DNA.

- ✓ Precision engineered from a high-grade titanium alloy, designed to improve handling and reduce its weight by one third over the standard exhaust
- ✓ Enhances the thrilling sportscar sound at every RPM, even in STRADA mode
- ✓ Powerful sound, emphasizing the Huracán's sport credentials
- ✓ Smooth-finish terminals made from the finest lightweight titanium

Please ask your dealer for more information and to check compatibility with your Huracán.
